TEACHERS FEEDBACK REPORT

For the academic session 2017-2018, feedback questionnaires on curriculum were handed out to all the teachers. After the review of the feedbacks received, it was assessed that the teachers agreed with the overall curriculum structure. However, it was observed that teaching-learning resources could be improved.

Sl.No	Strongly Agree	Agree	Disagree	Strongly Disagree	Remarks
1.	4%	83%	13%	0%	Positive
2.	0%	52%	48%	0%	Positive
3.	0%	57%	35%	0%	Positive
4.	0%	30%	48%	22%	Negative
5.	30%	69%	0%	0%	Positive
6.	4%	65%	30%	0%	Positive
7.	17%	61%	22%	0%	Positive

Positive Feedback

- Curriculum structure

Areas for improvement

- Teaching and learning resources

ALUMNI FEEDBACK REPORT

The feedback for the academic session 2017-18 from alumni marked the curriculum of the college as positive impact. It enhances their motivation to go for further studies and choose the right career. The alumni at the same time wish to see an up-gradation of library and to organise more field trips and study tours.

Positive Feedback

- Role and functions of Alumni Association
- Effective Curriculum

Suggestions

- Up-gradation of library
- Study tours and field trips

Action Plan

- 1) Up-gradation of library books and journals
- 2) Organise more field trips, exchange programs and study tours

STUDENTS FEEDBACK REPORT

The students' assessment and feedback on curriculum for the last academic session 2017-2018 reflects mostly on the need for improvement of library where they have critically examined the need for bigger space, more books and journals and suggested for up-gradation of library. Above all, the teaching methodology, evaluation process and other curriculum are positively graded satisfaction and scored 7 on the scale of 10.

Positive feedback

- Teaching methodology, evaluation and curriculum

Areas for improvement

- Library

Action Plan

- Up-gradation of library

Action Taken

- Budget allocated and implemented department wise to meet the requirement.
Automation of the library is underway

PARENTS FEEDBACK REPORT

For the session 2017-18, 80 parents gave their feedback regarding college curriculum and it is found out that most of the parents expressed their satisfaction regarding the quality of teaching-learning. It is also found that about 30% of the parents are not satisfied about the non-availability of text books and reference books in the market.

Positive Feedback

- Overall performance and curriculum of the college

Negative Feedback

- Non-availability of books in the market

Action Plan

- To increase the number of prescribed books in the library to address the problem.

Action taken

- Sanctioned money to the HODs of all departments to buy books for the library.
