Khrtalu Domeh | Welisoü Mero | Vinituono Krose

Motto

“Lighted to light”

The Emblem

Bears a hand holding a lighted torch over an open book signifying transcending knowledge to generations.

COLLEGE ANTHEM

Shine Phek Government College
May thee grow in strength and fervor,
Armored with light of love and wisdom
Beacon to every generation
Revere thy name we proclaim thee
All who dwell and bear your banner.
Light us with wisdom to light the world
Honour be your name forever.
Lighted to light.

By: Nonie Chizo, PGC Alumni

Vision

“Towards Higher Consciousness and Enquiry”

Mission

- The College strives to be the hub of knowledge generation and dissemination.
- To transform students to be effective agents of change in the society.
- To impart and hone the various life skills of students to make them self reliant citizens.
- To make the students socially and economically productive individuals.
- To promote scientific, analytical and critical temperaments of the students.
- To impart value oriented education that shapes the students to be socially responsible global citizens.

ACADEMIC **Calendar 2021**

24th February	Re-opening/Commencement of classes
22nd March	Internal Assessment schedule begins
25th-27th March	College Sports
20th April	Last date for submission of Internal Marks and attendance to the Exam Committee
26th April	Declaration of result
28th April	PGCSU Election
3rd-5th May	Filling of examination forms
May-June	End Semester Exams
Middle July	Declaration of Results (BA/B.Sc. 2nd Sem.)
June	Issue of Prospectus and Admission forms
July	Admission of old students to BA/B.Sc. 3rd & 5th Sem.
July	New Admission/Scrutiny and screening tests
July	Orientation of new students and parents
July	Commencement of classes
27th August	Fresher's Day
8th September	Last date for submission of home assignments
September	Internal Assessment schedule begins
September	Last date for submission of Internal Marks and attendance to the Exam Committee
September	Declaration of result and filling up of examination forms
Oct-Nov	End Semester Exam
November	Declaration of result and admission to 2nd , 4th & 6th Semesters
December	Even Semester begins
15th Dec 2021 – 18th Jan. 2022	Winter break
19th January 2022	College reopens

The **COLLEGE** **Profile**

Phek Government College is located on a hillside with a campus area of 38 acres on the outskirts of Phek Town. It is affiliated to Nagaland University and offers Bachelor of Arts and Bachelor of Science programmes with honours in five Arts and four Science subjects. It also hosts an IGNOU Study Centre offering postgraduate, diploma and certificate courses. The College has total faculty strength of thirty six and one Librarian. Ten faculty members have doctoral degree. There are thirty ministerial and supporting staffs.

HISTORY

Phek College was established on 28th July 1981 as a private institution and the College started to function at Pre-University level from 15th September. The College then became affiliated to North Eastern Hill University (NEHU) in 1983. Degree courses were started in 1994 with B.A. General Course and Honours Course in Political Science, Education and History.

On 1st February 1990 the College was taken over by the Government of Nagaland and it is now affiliated to Nagaland University.

Science stream was introduced at Higher Secondary level in 2005. The name of the College was changed from 'Phek College' to 'Phek Government College' in September 2004. The College started offering B. Sc. Honours in Botany, Chemistry, Mathematics, Physics and Zoology and B.A. Honours courses in English and Economics from July 2013. Higher Secondary courses (Arts & Science) were detached from the college in 2015.

NAAC ACCREDITED "B GRADE"

The College was assessed and accredited by the
National Assessment and Accreditation Council (NAAC)
on 4th March 2019.

Academics

BACHELOR OF ARTS

HONOURS PROGRAMMES OFFERED:

- Economics
- Education
- English
- History
- Political Science

Students of all programmes (Honours/General) will also take up the following compulsory subjects:

General English/Alt. English/Tenyidie/EVS/Mushroom Cultivation/Proficiency in English.

ELIGIBILITY

B.A DEGREE

Higher Secondary passed or other equivalent from a recognized Board.

B.A. HONOURS

Minimum of 45% in the subject in which one desires to take up Honours.

BACHELOR OF SCIENCE (B.Sc.)

HONOURS PROGRAMMES OFFERED:

- Botany
- Chemistry
- Physics
- Zoology

Students of all programmes (Honours/General) will also take up the following compulsory subjects:

General English/Computer and its application/EVS

ELIGIBILITY

B.Sc. (Degree)

Higher Secondary passed (Science) or other equivalent examination.

B.Sc. (Honours)

Higher Secondary passed (Science) or equivalent from a recognized Board with the following conditions :

- 45% in the subject (Botany/Zoology/Physics/Chemistry) in which one desires to take up Honours.
- For Chemistry Honours, a student must pass Mathematics at HSSLC level.

Vocational Courses

Add-on Courses with Certificate

The College offers vocationalisation courses in mushroom cultivation, floriculture (funded under RUSA Vocationalisation Project).

The courses are of six months duration. Mushroom Cultivation can be taken as a CBCP* (Choice Based Credit Paper) or, as an Add- on Course by any interested person. Floriculture cultivation can be taken as Add- on Course only.

*(*CBCPs are taken in lieu of EVS- II in the 6th Semester B.A. or B.Sc. Add- on Courses are Certificate courses, which are issued by the College.)*

- **The Mushroom Cultivation Course** offers both theory and practical classes. There is a Mushroom Cultivation Unit specifically set up for this purpose, where students can have a hands- on experience on how to set up mushroom growth rooms and how to grow them under controlled conditions. Mushroom spawn production techniques are also offered.
- **Proficiency in English** can be taken as a CBCP. During the course of study, the students are taught the basics of phonetics, varieties and differences in the British, American and Indian English, grammar and proficiency in English skills. Those with basic English knowledge can hone their skills by undergoing this course of study.
- **The Floriculture Course** includes both theory and practical classes. Students are trained to prepare flower beds, and harvest flowers in poly and green houses.

IGNOU CENTRE

The Institution also hosts an IGNOU Study Centre offering;

- **MASTER'S DEGREE PROGRAMME (MDP)**
Master of Arts in Pol. Science (MPS)
- **BACHELOR'S DEGREE PROGRAMME (BDP)**
B.A (Bachelor of Arts)
- **BACHELOR'S PREPARATORY PROGRAMME (BPP)**
- **DIPLOMA IN CREATIVE WRITING IN ENGLISH**
- **CERTIFICATE PROGRAMME**

SKILL DEVELOPMENT CENTRE

The college host a Skill Development Centre which is under the flagship of Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Ministry of Skill Development & Entrepreneurship (MSDE) and offer short term courses on the following job roles;

- **Assistant Electrician** (4 months duration)
- **Carpentry** (4 months duration)
- **Floriculture** (3 months duration)
- **Meet and Greet Officer** (3 months duration)
- **Mushroom Grower** (3 months duration)

Admission Procedure

The College offers both Bachelor of Arts and Science (General & Honours) Courses.

- Admission process begins soon after the declaration of NBSE Higher Secondary results.
- Application form along with prospectus-cum-handbook can be obtained from the College on payment.
- Application forms duly filled and accompanied by attested photocopy of requisite documents should be submitted to the College during office hours, within the stipulated time.
- Students should compulsorily come with their parents/guardian on the day of admission.
- 5% of seat is reserved for SC/OBC/differently abled students.
- Admissions are also open for foreign students.
- Orientation programme for freshers is conducted at a later date. It is COMPULSORY for all admitted students to attend the orientation.

Documents to be produced in original and attested photocopy to be submitted at the time of admission (HSLC & HSSLC) :

- 1. Marksheet**
- 2. Admit Card**
- 3. Pass Certificate**
- 4. Registration Card of XII**
- 5. SC/ST/OBC and Indigenous Inhabitant Certificate(s)**
- 6. Applicants coming from outside Nagaland Board/University must submit original Migration Certificate**

FEE STRUCTURE

Obligatory Fee		
Admission Fee	₹ 700/-	Government Deposit
Library Fee	₹ 500/-	
Tuition Fee	₹ 500/-	
University Enrolment Fee	₹ 50/-

Students' Union	₹ 100/-	
Identity Card	₹ 100/-	
Electricity Fee	₹ 200/-	
Water fee	₹ 100/-	
IQAC	₹ 200/-	
*Freshers/Parting Social	----	
* Bus fares	----	
* College Uniform	----	
Exigency Fee	₹ 200/-	
Computer Fee	₹ 200/-	
** Practical Fee per Paper (except Chemistry)	₹ 300/-	
** Practical Fee per Paper (for Chemistry)	₹ 400/-	
N.B		
* Following fees in single asterisk (*) will be collected after offline classes resume		
** According to Subject Papers		

General Norms

- Students should remain within the campus during class hours on all working days.
- Students loitering around within or outside the campus during class hours will be penalized.
- Use of intoxicants are strictly forbidden in the College premises.
- Ragging in any form will lead to immediate expulsion.
- The college maintains zero tolerance towards sexual harassment.
- Malpractices during examination will attract penalty of expulsion from the College.
- Every student must handle College property with care.
- Every student must maintain cleanliness of the College campus.
- No collection of money or fund raising activity is allowed within the College Campus without prior permission from the Principal.
- It is compulsory for all the students to wear uniform every Monday, Wednesday and Friday. On other days, students are to wear decent attire.
- Every student must, at all times maintain decorum within or outside the Campus.

Examination & Evaluation Procedure

- End Semester Examination question papers are prepared by the University.
- Examination routine for End Semester Examination is notified by the University which is normally of 3 hours duration.
- Students are evaluated on a 30:70 basis i.e. **30 marks** for Internal Assessment and **70 marks** for end Semester Examination.
- Pass Marks: A student shall have to secure a minimum of **45% marks** in the Internal Assessment, and **45% marks** in the end semester examination in theory papers. However, in a given Practical Paper, a student shall have to secure a minimum of **55% marks** to be considered passed in a given Semester.
- Activities for Internal Assessment: The internal assessment for **30 marks** is made in the following three categories of activities:
 - a) Class Test
 - b) Assignments
 - c) Seminars
- Eligibility Criteria for End Semester Examination:

A student shall be deemed qualified to appear at the End-Semester Examinations only if he/she secures minimum qualifying marks in the internal assessment tests and maintains 80% Attendance in every subject.

- Admission to the Next Semester: Advancement to the next semester is permitted only with a maximum of two backlog papers from the preceeding semester. Further, entry to the next semester shall be regulated at the level of 4th, 5th & 6th Semesters which are explained as under:
 - a) Admission to 4th Semester shall be allowed only after clearing 1st Semester backlog paper(s) during the 3rd semester.
 - b) Admission to 5th semester shall be allowed only after clearing 2nd Semester backlog paper(s) during 4th semester.
 - c) Admission to 6th semester shall be allowed only after clearing 3rd Semester backlog paper(s) during 5th semester.
 - d) Backlog paper(s) of 4th Semester needs to be cleared during 6th Semester.
 - e) Backlog paper(s) of 5th and 6th semesters need to be cleared during subsequent examinations of these semesters within 10 semesters with a maximum of only one chance.

** Students desirous to drop honours paper can do so only after their 1st Semester, before the Admission to 2nd Semester.*

Quality Control

The Principal chairs the Internal Quality Assurance Cell (IQAC). The Cell plans and monitors measures to improve the overall quality of education in the college.

Chairperson	Principal

Amenities

Canteen

Amphitheatre

INFIRMARY, CANTEEN, IT&C, COUNSELLING ROOM, AMPHITHEATRE

The above mentioned facilities are available in the college premises.

LIBRARY

The College library is equipped with books, journals, e-book, magazine, newspapers and Wi-fi facilities.

Library facilities can be availed from monday- Saturday (9:30 AM to 3:00 PM)

*The library is closed on Sunday and all public holidays

Library

HOSTEL ACCOMODATION

Hostel facilities are available for both boys and girls. Tizu hostel (for boys) has a capacity of 30 seats while Lanye hostel (for girls) has a capacity for 40. Both the hostels are ideally situated.

Hostel wardens are assigned to supervise the smooth administration of the hostels.

Lanye girls' hostel

Hostel Warden's Quarter

Tizu boys' hostel

TRANSPORTATION

The College has two buses which are used to commute the students and staff to and fro from the town and old Phek village. A nominal fee is charged for this service.

AWARDS & SCHOLARSHIPS

CRYSTAL AWARD

The Crystal Cup along with Cash Prize and a citation certificate is presented each year to the best student. The students' academic performance, activities are taken into account for the selection.

L. MEFUTIBA MERIT AWARD

The L. Mefutiba Merit Award is a meritorious award instituted and sponsored by Shri. L. Mefutiba, former Principal of the College. This award is given to the College topper in the University Exam. The award carries a cash prize of ₹ 5000.

SPECIAL MERIT SCHOLARSHIP

Special Merit Scholarship is sponsored by the faculty of the college to deserving students. The selected students have 50% of their admission fees waived off.

SPECIAL MERIT SCHOLARSHIP FOR GENERAL CATEGORY STUDENTS

This Scholarship is given to students from General category for Outstanding Performance in academics.

STATE POST-MATRIC SCHOLARSHIP FOR ST STUDENT

- Scholarship is given to ST students of Nagaland whose Parents/Guardians annual income does not exceed ₹ 2.5 lakhs.
- State Merit Scholarship is also available for ST & Indigenous Students of Nagaland who have secured 75% in HSSLC.

ACADEMIC DEPARTMENTS & PROGRAMMES

DEPARTMENT OF ECONOMICS

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Medongulie Zatsu (HOD)	M.A., Ph.D., NET	Industrial Economics
Mr. Temjenmeren Jamir	M.A., NET	Econometrics
Dr. Thejotalü Nienu	M.A., M.Phil., Ph.D	Health & Agricultural Economics
Mr. Neiwe Mero (on study leave)	M.A., NET	Indian Economy
Mr. Jonathan Kikon	M.A., NET	Mathematical Economics
Ms. Welisoü Mero	M.A., NET	Indian Economy

ABOUT THE SUBJECT

Economics, as a subject, studies the behavior of individuals, households, firms, industries governments and the economies in efficient allocation and utilization of given resources. It provides knowledge for decision making in everyday life. It not only imparts theories but also develop skills for logical thinking. Economics is applicable in a wide range of fields including business, finance, administration, government, environmental issues, planning, etc.

Economics graduates can opt for banking services, finance and investment sectors, accounting firms, business services, economic services, statistical services, economic research and consultancy, planning institutions, educational institutions and administrative services.

DEPARTMENT OF EDUCATION

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mrs. Vevolü Khamo (HOD)	M.A., NET	
Mr. Shekhohü Chizo	M.A.	Psychology & Distance Education
Mrs. Wete-ü Ritse	M.A., B.Ed., NET	
Mrs. Meyetsolo Ritse	M.A., NET	
Mrs. Kupe-ü Mero	M.A., NET	
Ms. Mhashevolü Medeo	M.A., NET	
Mr. Thoshusie Katiry	M.A.	

ABOUT THE SUBJECT

Education, as a course subject, is interdisciplinary in nature, which include branches of studies like, technology, psychology, sociology, philosophy, counseling, management, etc. Taking up the paper, one can go for higher studies (PG) in subjects like Education, Psychology, Sociology, Philosophy, and Counseling.

As for career options, one may opt for any public services or take up professions related to the above mentioned courses of study. However, the most attractive career option is 'Teaching Profession,' which is an 'ever learning and ever-growing noble profession.'

DEPARTMENT OF HISTORY

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mrs. Shepalu Suyie (Vice Principal)	M.A.	History of North-East India
Mr. Mulehu Khesoh (HoD)	M.A.	Mughal History
Mrs. Tsotalü Nakro	M.A., M.Phil.	Modern Western World
Dr. Nutazo Lohe	M.A., M.Phil., Ph.D., NET	Ethnoarchaeology, Ancient India History, Cultural & Regional History
Dr. Zhokusheyi Rhakho	M.A., NET-JRF, Ph.D	Modern Indian History
Ms. Seyiechonu Kera	M.A., NET	

ABOUT THE SUBJECT

The Department of History offer general courses on socio-economic, political and cultural life in India from Pre-history up to the Indian National Movement. The objective is to make students understand the elements of change and continuity in Indian history. Subjects relating to major developments in the world from decline of the feudal age till the emergence of Cold War Era are also included. Honours paper cover varied subjects on North East India, East Asia, India under the Mughals, history of the United States of America, introduction to archaeology, Modern India, coming of Christianity in Nagaland, etc.

Most history graduates find careers in research, archaeology, teaching, journalism, librarianship and archival management, government agencies, museum, cultural heritage and tourism, business administration and in publishing sectors.

DEPARTMENT OF POLITICAL SCIENCE

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mr. Ronald Difoe (HOD)	M.A. (Pol.Sc.), M.A. (Public Adm.), M.Phil., NET-JRF	Law and Governance
Dr. Seyiezolie Khoubve	M.A., Ph.D	Grassroots politics & development in Nagaland after the 73rd constitutional amendment
Dr. Levinu Sakhrie	M.A., M.Phil., NET-JRF, Ph.D	Indian Politics, Governance, Democracy
Dr. I. Koktiba	M.A., M.Phil., NET-JRF, Ph.D., P.G Diploma in Dalits & Minorities Rights.	Indian Politics, International Security, Neoliberalism, Prioritization of Security.

ABOUT THE SUBJECT

The subject provides a broad scope in our understanding of basic political ideologies, concepts and equips the students with the knowledge of how government and politics operates in a given society and contemporary world order. The subject's three degree course includes papers like Political Theory: Ideas and Concepts, Indian political thinkers, Western political thinkers, Indian Government and Politics, International Organizations, International Politics, Comparative Government and Politics, Issues of World Politics & Local Self-Government in India, Public administration, and Indian Administration & Local Self-government in India.

Graduates in this subjects can opt for specialized course like LLB, PG programme in Political Science, International Relations and other inter-disciplinary subjects. After their specialized course they can go for inter-disciplinary research. The course also prepares the students for competitive exams for recruitment in various state/ central jobs.

DEPARTMENT OF ENGLISH

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mr. Victor Vero (HoD)	M.A., NET	Literary Criticism & Theory, General English, Writing in English from Nagaland.
Mr. Nuthisa Rhakho	M.A.	English Literature
Ms. Keviriebeinu Kehie	M.A., NET, M.Phil	Women's Writings in English from Nagaland, Postcolonial Studies
Ms. Khrutalu Domeh	M.A.	American Literature

ABOUT THE SUBJECT

BA English programme offered as honours, is a cluster of study of literary works (prose, poetry, fiction, plays, literary theory and criticisms) spanning from the classical to modern age. The Department also offers general papers in B.A. & B.Sc programme. These general papers enable the students to acquire communicative competence, hone their basic grammar, and creative writing skills.

For career prospects in English, one can opt for higher studies (PG programme) or even opt for careers in journalism, media industry (Radio & T.V), teaching profession (Pre-School to University), tutors in spoken English, Civil Services, research scholar, Linguistics.

DEPARTMENT OF TENYIDIE

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mr. Neilalie Yashü (HOD)	M.A.	Tenyidie Literature, Linguistics

ABOUT THE SUBJECT

The College introduced Tenyidie as Modern Indian Language (MIL) paper in the year 2003. This course is offered to degree students (BA) in their 3rd and 4th semester (TNY-301 and TNY-401). There is scope for interested students to pursue M.A and further research in the subject.

DEPARTMENT OF BOTANY

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Dr. Neilhousano Nakhro (HOD)	M.Sc., Ph.D	Microbial Ecology
Ms. Shesalu Lohe	M.Sc., NET	Microbial Ecology
Ms. Pfüchüpeü Mero	M.Sc., NET-JRF, B.Ed	Taxonomy

ABOUT THE SUBJECT

Three year course curriculum of Botany includes the enhanced concepts in plant diversity, morphology and anatomy and also incorporates the basic knowledge on biochemistry, cell biology, molecular biology, biotechnology and plant breeding. It will enrich the students on the concept of ecology and create awareness about environmental issues.

Graduates in this subject will be equipped to go for higher studies like M.Sc. in Botany, Biotechnology, Environmental Science, Microbiology, etc. and pursue career in research or academics. A graduate in the subject is also eligible for various UPSC exams like Civil Services, Forest services, etc. and State conducted NPSC exams.

DEPARTMENT OF CHEMISTRY

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mr. Solo Lorin (HOD)	M.Sc.	Inorganic Chemistry
Dr. H. Atoholi Sema	M.Sc., SLET, Ph.D	Organic Chemistry

ABOUT THE SUBJECT

The department offers pass course and honours. The paper is classified into different branches such as inorganic, organic and physical chemistry. Besides these, the course also includes topics like analytical chemistry, spectroscopy and quantum chemistry.

After completion of the course, the students can seek jobs in industries, companies as laboratory chemist, industrial research scientist, safety health and environment specialist, biomedical chemist, production chemist, etc. They can sit for competitive examinations like UPSC, SSC, banking, railways and also get lucrative jobs in Air Force, Navy and Army. Students can also pursue higher studies (M.Sc., Ph.D) to become research scientists or even join the teaching profession.

DEPARTMENT OF MATHEMATICS

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specialization</i>
Mr. Boboi (HOD)	M. Sc.	Algebra

ABOUT THE SUBJECT

Mathematics includes the study of topics like quantity, structure, space and change. The course includes topics like real analysis, complex analysis, vector analysis, linear algebra, numerical analysis and mechanics which basically give the student an idea about both pure and applied mathematics. The subject is essential in many fields including natural science, engineering, medicine and finance. Hence, a graduate in mathematics can have variety of career prospects like academics, civil service examinations, banking, operations research, medical research, etc.

DEPARTMENT OF PHYSICS

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specilaization</i>
Mr. Lidemo B. Kithan (HoD)	M. Sc., NET	Electronics
Ms. Vinituono Krose	M.Sc., NET-JRF, B.Ed	Solid State Physics

ABOUT THE SUBJECT

Physics is one of the oldest academic disciplines and, through its inclusion of astronomy, perhaps the oldest. It is the study of energy, matter, and their interactions. It is a very broad field because it is concerned with matter and energy at all levels- from the most fundamental particles of matter to the entire universe. Important concepts in physics includes motion, forces such as magnetism and gravity, and forms of energy such as light, sound, and electrical energy. After completing the course a student can go for post graduate studies, research and can pursue careers in a range of sectors such as environmental industry, the legal sector, transport and utilities.

DEPARTMENT OF ZOOLOGY

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specilaization</i>
Ms. Vedulü Thingo (HOD)	M. Sc.	Animal Physiology
Mrs. Luiluile Lungalang	M.Sc., NET, B.Ed	Biochemical Adaption and Metabolic Regulation

ABOUT THE SUBJECT

The department offers B.Sc. for both pass and honours course. The topics included are biochemistry, introduction to chordates and nonchordates, cell biology, molecular biostatistics, economic zoology, etc.

Career prospects in Zoology include teaching, research, environmentalist, biotechnologist, bioinformatics, Zoo/Animal Keeper, lab assistant, technician, ecologist, entomologist, nutritionist, apiculture, sericulture, fisheries, pathologist, etc.

LIBRARIAN

<i>Name of Faculty</i>	<i>Qualification</i>	<i>Specilaization</i>
Ms. Akhrienuo	Master of Library & Information Science, NET	ICT Applications in LS

LIST OF NON-TEACHING STAFF
