

MEMORANDUM OF UNDERSTANDING

THE FOLLOWING MEMORANDUM OF UNDERSTANDING is an expression of partnership between The Kohima Institute and Phek Government College, entered 1st June, 2018.

Established in 1981 by the people of Phek with the assistance of Shri Lalhuma, IAS, then Deputy Commissioner of Phek, and Shri Vejoi Vero, then Minister of State in Nagaland, Phek Government College is a college affiliated to Nagaland University, and focused on high quality teaching in the arts and sciences. The college currently offers a Bachelor of Arts degree, with B.A. honours offered in Economics, Education, English, History, and Political Science; as well as a Bachelor of Science degree, with B.Sc. honours offered in Botany, Chemistry, Mathematics, Physics, and Zoology.

Founded in 2013, the Kohima Institute is registered as a Public Charitable Trust in Nagaland, and is a research and postgraduate training centre focused on the social sciences, with a broad contextual remit working with minority ethnic communities across highland Asia. The Institute maintains a strong commitment to ethical research practices, and ecological consciousness, promoting indigenous knowledge, philosophies, languages, histories, technologies, and aesthetics. Part of this commitment is the intentional, ongoing resourcing, consultancy work, high-level trainings, and data sharing conducted in conjunction with important research, policy and development initiatives within its region of immediate operation, namely Northeast India.

The Kohima Institute and Phek Government College have identified an opportunity to enhance their perspective roles and effectiveness through a cooperative arrangement that brings together the unique strengths of each organisation. This agreement will provide a bridge for academic excellence, research, staff and student exchange, particularly in regards to internship opportunities, jointly organised events, and other mutually enriching activities.

In this regard, The Kohima Institute and Phek Government College pledge to work together in a spirit of cooperation, learning and support in the following, *inter alia*, areas, and

- To implement practical means to bring research and teaching closer together;
- To champion inter-sectoral and inter-faculty partnerships to maximise efforts and resources;

- To promote academic research and excellence in the arts and sciences through the sharing of data, publications, information, networks, and resources;
- To provide participatory fora fostering innovation and creativity among faculty members, researchers, and students in the arts and sciences; and
- To jointly create opportunities to promote a long-term sustainable continuity of academic interest in research and teaching, and their practical applications in surrounding communities.

This agreement is valid for a period of five years from 1st June 2018, and upon its expiry, can be renewed with the consent of both parties. In addition, this agreement may be amended as mutually agreed upon, or terminated by either party through written notification.

The Kohima Institute and Phek Government College agree to meet annually to review the activities of the prior year and to hold a planning session for the upcoming period.

This agreement does not in any way bind either The Kohima Institute or Phek Government College, nor does it supersede or affect other existing agreements held by either organisation.

**Memorandum of Understanding for Academic Cooperation
between
Phek Government College, Phek, Nagaland
and
Pfutsero Government College, Phek, Nagaland**

Phek Government College and Pfutsero Government College are institutions under the Higher Education Department of the Government of Nagaland and located in close proximity in the Phek district of Nagaland. Both college offer B.A General and Honours Courses and have therefore agreed to establish a relationship of academic cooperation in the area of mutual interests.

Objectives

The purpose of this MoU is to foster knowledge sharing between faculty and students of both Colleges. Phek Government College and Pfutsero Government College agrees to:

1. Share information on networks and resources.
2. Promote collaborative academic research.
3. Jointly organize seminars and conferences of mutual interests including social issues in Phek district and Nagaland.
4. Foster faculty and student exchange program.

This MoU will take effect from the date it is signed by the Heads of both institutions and will remain valid for five years. The agreement may be continued thereafter after review and agreement.

Letter of Intent

To,
The Principal,
Phek Government College,
Phek, Nagaland

Subject: Expression of interest for setting up skill development, digital/financial literacy and sensitizing centers with you

Respected Sir,

Greetings from Indianeers Media Private Limited!

We are a skill development organization having an active presence in 23 states for conducting skill development programs under different Central and State funded skill development programs. This is to express our sincere interest in conducting skill development trainings in the all the north-eastern states of India under your guidance and support.

Indianeers works through a unique model wherein we establish strategic partnerships with the various stakeholders from industry, Training bodies, and Non-government Organizations, States and Central government and leverage our relationship to provide skill training and employability. Our focus on placements and On-job practical trainings establish us as a valued partner for delivering qualified workforce to the industry. Indianeers not just trains the workforce but also engage them in relevant employment within and outside the respective state.

Our unique skill delivery process begins with the identification of jobs and ends with the placement of trained youth in various sectors. We aim to ensure that every youth leaves with a qualification that is recognized and is valued by the employers. Our training will ultimately provide them with the skills necessary to succeed at work from the day one.

Affiliations/MoU:

- Affiliation from NCVT/SSC/ SCVT/ AICTE / Indian Nursing Council/ Director General of Training (DGT)/ CWAI/ICAI/ Medical Council of India (MCI) / or any accreditation body of Central or Madhya Pradesh Government (wherever applicable) related to Technical and Vocational Education Training
- MoU signed with NSDC under PMKVY
- MoU / Sanction Order from NSDC under PMKVY
- MoU signed with ASDM

INDIANEERS MEDIA PRIVATE LIMITED

THE FUTURE OF MEDICAL EDUCATION IS WITH US. WE ARE HERE TO HELP YOU GET THERE.

Key Benefits of participating with us:

Working on a not-for-profit ideology, we offer the following benefits to all of our partners:

1. Maximum revenue sharing (Min. 70%) To increase depending upon the number of centers, center's capacity and placements.
2. Active partnership: Support during validation, training, assessment and placements to ensure smooth delivery of training and maximum pass-out percentage per batch.
3. Zero investment: Center to bear only the validation and trainers training expense. The remaining expenses to be borne by Indianeers Media. No assessment fee to be charged from the candidates.
4. Scholarships: Female trainees and Specially-abled candidates are given scholarship from NSDC under PMKVY of Rs. 1500 per month for the duration of training.
5. 100% transparency: The center credentials to be shared with the center to track the progress of the training.
6. MoU to include the clause that "payments to the centers shall be made within 7 days from the receipt of the funds from the government."
7. Center to be entitled targets from different programs viz. PMKVY, DDU-GKY, NDLM, UNDP, CSR trainings etc as and when the targets are available.
8. Payouts: The payouts will be borne by the government based on the job role selected and finalized payout per student for the same.

Placement post-completion of the training:

As per NSDC norms to place atleast 70% of passed trainees, Indianeers has achieved a placement statistics of 85% across the country, which is the highest.

On completion of training, the placement of the certified trainees will be taken care by centre and Indianeers. For the local placement, the centre being more informative about the local intake capacity, can work on the same. For placements outside, we have tie-ups with placement firms and companies for each sector and can get trainees placed there.

Yours sincerely,

Aakash Shrivastava, Director,

F.No. 61/IGNOU/Koh.RC/New.SC/SSC/PSC/2001

Dated: 23/04/2008, Kohima

To,

The Principal,
Phek Govt. College,
Phek, Nagaland

Subject: Establishment of New Study Centres of IGNOU – regd.

Sir,

With reference to the above mentioned subject, I would like to bring your kind attention that Indira Gandhi National Open University, established by an Act of Parliament in 1985, serves the educational aspirations of about 1.8 million students in India and 32 countries abroad through 21 Schools of Studies and an elaborate network of 58 Regional Centres (RCs), 7 sub-regional centres, 1804 Study Centres (SCs), and 46 overseas centres. The University is making all efforts to take higher education to the doorsteps of the hitherto un-reached. As of now, about 13% of all students enrolled in higher education in the country are enrolled with IGNOU. Apart from teaching and research, extension, training and other academic activities, it also acts as a national resource centre; and more importantly, functions as an apex body to promote and maintain standards of distance education. The Commonwealth of Learning has recognised it as a centre of excellence. It also has the unique privilege of hosting the Secretariats of SAARC Consortium of Open Distance Learning (SACODiL) and Global Mega Universities Network (GMUNET) promoted by UNESCO.

IGNOU offers 138 academic programmes [list of the various academic programmes of IGNOU enclosed] that are need-based, unconventional, and vocation-oriented with a focus on socio-economic development and serving the dis-advantaged. The programmes are at the awareness, certificate, diploma, degree (Bachelor's, Master's and Doctoral) levels. All the courses are recognized at par with the regular courses of all the Universities in India and are recognized by UGC, NCTE, AIU, AICTE, and other statutory bodies in the respective areas [copy enclosed]. The Government of Nagaland has also recognized all the Degrees, Diplomas & Certificates courses of IGNOU [copy enclosed]

Within India, IGNOU caters to learners from rural and tribal areas, physically-challenged, jail inmates and rehabilitation houses, government and non-government sectors, parents and home-makers, the employers and the employed. The University has put special focus on women, socially and economically disadvantaged groups, the north-east region, and other tribal and low literacy areas of the country.

IGNOU has undertaken a number of major initiatives for the educational development of the North eastern region. It has been executing the North-East Educational Development Project, which is sponsored by Ministry of Human Resource. All the states in the N E have full-fledged IGNOU RCs. SCs of IGNOU have also been set up in all the States. All the RCs have been equipped with EduSat supported Satellite Interactive Terminals. Besides, a number of SCs have also been provided with the same facilities. The university has also created some tailor made training programmes specially designed for the people of the region, e.g., Certificate in Primary Education (CPE), Computer Literacy Programme (CLP), etc. North East Educational Media Focus (NEMFo) is another special initiative undertaken by IGNOU in collaboration with the Electronic Media Production Centre (EMPC), at IGNOU, to train the young film producers from the North East. Basically these films are aimed at capacity building and also to encourage the young professionals to contribute to the making of documentary films related to environment, ecology, social and cultural aspects of North east

Dr. T. IRALU
Regional Director

KOHIMA REGIONAL CENTRE

Region. Many of these films have been selected for screening at the India International center (IIC), New Delhi and have earned laurels.

The IGNOU Regional Centre in Kohima was established in December 2000. At present, besides the IGNOU Regional Centre in Kohima, there are 12 SCs spread across Nagaland. The RC and the SCs at Nagaland College of Teacher Education and Dimapur Govt. College have been equipped with EduSat. As of now, around 5000 students from Nagaland are enrolled in various programmes of IGNOU. It is expected to grow in future. IGNOU Regional Centre also has a vision to do a lot more for the youth and student community of Nagaland. Various educational programmes/initiatives of IGNOU for Nagaland are considered important in view of lack of sufficient opportunity for higher education in Nagaland, particularly for the poor and underprivileged sections.

In view of the above, IGNOU Regional Centre at Kohima intends to expand its activities in Nagaland and establish new IGNOU SCs/Special SCs/Programme SCs in all the districts of Nagaland, depending on the availability of the necessary infrastructure in the Colleges/Institutions. IGNOU SCs are normally established in institutions of higher learning as part time establishments and are normally open in the evenings and on weekends; and work generally outside the working hours of the host institution. The main functions of SCs are to provide academic counseling [by engaging academic counselors approved by IGNOU], to make arrangements for evaluation of assignments for continuous evaluation of students by approved evaluators, to conduct entrance tests and term-end examinations, etc. The SCs are furnished completely at IGNOU's cost and there is no financial obligation on the part of the host institute. However, maintenance of the building is the responsibility of the host institute. The SCs are managed by part time Co-ordinators [responsible for overall, academic, financial and administrative functioning], who are appointed by IGNOU on the recommendations of the Head of the host institute. Co-ordinators report to the Regional Director. Co-ordinators are supported by Assistant Co-ordinator(s), if necessary, and other part time staff. IGNOU pays remuneration to all the part time staffs, if appointed as per IGNOU norms. Besides, IGNOU pays for all contingent expenses like postage, stationery, payment to counselors, evaluators, and expenses in connection with examinations, etc. Co-ordinators are also given an imprest from which (s)he can meet day to day expenses, as per IGNOU norms.

In this regard, kindly explore the possibility of activating a study centre at your Institution for Phek District. We are enclosing all the necessary documents for activation of an IGNOU Study Centre and request you to kindly forward a proposal for the same. We believe that a collective decision by you and us can be an important step in our endeavour to provide higher education to a large number of poor/deprived/under-privileged students in our State in General and Phek District in particular.

We look forward to your cooperation and support in this regard.

Yours faithfully,

[Signature] 23/02/88.

[T. Iralu]

Regional Director,

IGNOU Regional Centre-20,

Kohima, Nagaland.
