Positive Feedback

- Effective evaluation methods.
- Proper order of courses presented within the program.
- Learning outcomes of the courses are relevant.

Areas for improvement

- There should be balance between theory and practice.
- Quality and quantity of texts and reference books should be improved.
- More of exposure trips and project works for students need to be included in curriculum.

A photograph of a handwritten signature in brown ink on a light-colored background. The signature reads "Niewe Mero" in a cursive style, with a horizontal line extending to the right from the end of the name.

PARENTS FEEDBACK REPORT

For the academic session 2023-2024, most of the parents expressed their satisfaction regarding the quality of the teaching- learning process.

Positive Feedback

- Treatment of the students by the faculty.
- Course relevance.
- Transparency of the evaluation system.
- Experienced faculty members

Negative Feedback

- Non-availability of the texts and reference books in the market
- Improve the mode of transportation

Action Plan

- To increase the number of prescribed books in the library to address the problem.
- To have more of practical based approach like tours and field trips.
