Dr. T. IRALU
Regional Director

F No. 61/IGNOU/Koh.RC/New.SC/SSC/PSC/2001
Dated: 23/04/2008, Kohima

To,

The Principal,
Phek Govt. College,
Phek, Nagaland

Subject: Establishment of New Study Centres of IGNOU – regd.

Sir,

With reference to the above mentioned subject, I would like to bring your kind attention that Indira Gandhi National Open University, established by an Act of Parliament in 1985, serves the educational aspirations of about 1.8 million students in India and 32 countries abroad through 21 Schools of Studies and an elaborate network of 58 Regional Centres (RCs), 7 sub-regional centres, 1804 Study Centres (SCs), and 46 overseas centres. The University is making all efforts to take higher education to the doorsteps of the hitherto un-reached. As of now, about 13% of all students enrolled in higher education in the country are enrolled with IGNOU. Apart from teaching and research, extension, training and other academic activities, it also acts as a national resource centre; and more importantly, functions as an apex body to promote and maintain standards of distance education. The Commonwealth of Learning has recognised it as a centre of excellence. It also has the unique privilege of hosting the Secretariats of SAARC Consortium of Open Distance Learning (SACODiL) and Global Mega Universities Network (GMUNET) promoted by UNESCO.

IGNOU offers 138 academic programmes [list of the various academic programmes of IGNOU enclosed] that are need-based, unconventional, and vocation-oriented with a focus on socio-economic development and serving the dis-advantaged. The programmes are at the awareness, certificate, diploma, degree (Bachelor's, Master's and Doctoral) levels. All the courses are recognized at par with the regular courses of all the Universities in India and are recognized by UGC, NCTE, AIU, AICTE, and other statutory bodies in the respective areas [copy enclosed]. The Government of Nagaland has also recognized all the Degrees, Diplomas & Certificates courses of IGNOU [copy enclosed]

Within India, IGNOU caters to learners from rural and tribal areas, physically-challenged, jail inmates and rehabilitation houses, government and non-government sectors, parents and home-makers, the employers and the employed. The University has put special focus on women, socially and economically disadvantaged groups, the north-east region, and other tribal and low literacy areas of the country.

IGNOU has undertaken a number of major initiatives for the educational development of the North eastern region. It has been executing the North-East Educational Development Project, which is sponsored by Ministry of Human Resource. All the states in the N E have full-fledged IGNOU RCs. SCs of IGNOU have also been set up in all the States. All the RCs have been equipped with EduSat supported Satellite Interactive Terminals. Besides, a number of SCs have also been provided with the same facilities. The university has also created some tailor made training programmes specially designed for the people of the region, e.g., Certificate in Primary Education (CPE), Computer Literacy Programme (CLP), etc. North East Educational Media Focus (NEMFo) is another special initiative undertaken by IGNOU in collaboration with the Electronic Media Production Centre (EMPC), at IGNOU, to train the young film producers from the North East. Basically these films are aimed at capacity building and also to encourage the young professionals to contribute to the making of documentary films related to environment, ecology, social and cultural aspects of North east

Dr. T. IRALU
Regional Director

Region. Many of these films have been selected for screening at the India International center (IIC), New Delhi and have earned laurels.

The IGNOU Regional Centre in Kohima was established in December 2000. At present, besides the IGNOU Regional Centre in Kohima, there are 12 SCs spread across Nagaland. The RC and the SCs at Nagaland College of Teacher Education and Dimapur Govt. College have been equipped with EduSat. As of now, around 5000 students from Nagaland are enrolled in various programmes of IGNOU. It is expected to grow in future. IGNOU Regional Centre also has a vision to do a lot more for the youth and student community of Nagaland. Various educational programmes/initiatives of IGNOU for Nagaland are considered important in view of lack of sufficient opportunity for higher education in Nagaland, particularly for the poor and underprivileged sections.

In view of the above, IGNOU Regional Centre at Kohima intends to expand its activities in Nagaland and establish new IGNOU SCs/Special SC/Programme SCs in all the districts of Nagaland, depending on the availability of the necessary infrastructure in the Colleges/Institutions. IGNOU SCs are normally established in institutions of higher learning as part time establishments and are normally open in the evenings and on weekends; and work generally outside the working hours of the host institution. The main functions of SCs are to provide academic counseling [by engaging academic counselors approved by IGNOU], to make arrangements for evaluation of assignments for continuous evaluation of students by approved evaluators, to conduct entrance tests and term-end examinations, etc. The SCs are furnished completely at IGNOU's cost and there is no financial obligation on the part of the host institute. However, maintenance of the building is the responsibility of the host institute. The SCs are managed by part time Co-ordinators [responsible for overall, academic, financial and administrative functioning], who are appointed by IGNOU on the recommendations of the Head of the host institute. Co-ordinators report to the Regional Director. Co-ordinators are supported by Assistant Co-ordinator(s), if necessary, and other part time staff. IGNOU pays remuneration to all the part time staffs, if appointed as per IGNOU norms. Besides, IGNOU pays for all contingent expenses like postage, stationary, payment to counselors, evaluators, and expenses in connection with examinations, etc. Co-ordinators are also given an imprest from which (s)he can meet day to day expenses, as per IGNOU norms.

In this regard, kindly explore the possibility of activating a study centre at your Institution for Phek District. We are enclosing all the necessary documents for activation of an IGNOU Study Centre and request you to kindly forward a proposal for the same. We believe that a collective decision by you and us can be an important step in our endeavour to provide higher education to a large number of poor/deprived/under-privileged students in our State in General and Phek District in particular.

We look forward to your cooperation and support in this regard.

Yours faithfully,

[T. Iralu]
Regional Director,
IGNOU Regional Centre-20,
Kohima, Nagaland.
