BOARD OF TRUSTEES

The Board of Trustees is made up of scholars, administrators, and respected community leaders actively engaged in promoting excellence in higher education and development, and developing collaborative partnerships with universities, civil society organisations and other public and private sector institutions. The board is responsible for shaping the goals and strategies of the Highland Institute; providing counsel to the senior leadership; and governance over institute activities, and assets. The Board meets at least once-a-year, and its various committees represent the interdisciplinary character of the Institute's programs.
