

Beyond the campus environmental promotional activities 2024-2025

1. A mini exhibition on the theme “Fall Flowers & Greens” was organized by the Floriculture Unit of Phek Government College on 28 October 2024, with the aim of promoting and imparting the importance of floriculture among the students. Students from GHSS, Phek, also participated in the exhibition.
2. Phek Government College observed World Environment Day on the 5th of June 2024 under the Theme “Land Restoration, Desertification, and Drought Resilience” along with the rest of the world, which was organized by the Department of Environmental Science and Science Club, Phek Government College.
3. The Department of Environmental Science, Phek Government College organized a field trip to the Bailey Bridge on Phek-Ketsapo road (Mulotiru River) for the Disaster Management course under Skill Enhancement Course for bachelor’s degree both in Science and Arts stream on the 27th of February 2025. The objective of this educational trip was to enhance students’ understanding of disaster management in these disaster-prone areas where landslides were common.
